Build | Build | Build | Build | Build | Test Build | Documentation

ERRORS

- Poor codebase (naive, not-DRY, tautological)
- Search function
- Delete listing after Stripe
- Single listing Stripe purchase
- UI Alerts
- Admin
- Order Cart
- Rolify Roles (:admin)
- Rspec testing
- Primitive final product unsuitable for portfolio

```
<% if user_signed_in? && current_user.is_school? == true %>
  // show buy buttons
<% elsif user_signed_in? && current_user.is_school? == false %>
  // show edit buttons
<% elsif user_signed_in? == false %>
  //show nothing
<% else %>
// rescue for unauthorised access
<% end %>
```
